NEW YORK— March 14, 2024—Today, Prime Video announced the launch of *Gloves Off*, an all-new special series that will bring fight fans revealing, behind-the-scenes access in the lead-up to highly-anticipated PBC on Prime Video boxing events. The first installment, *Gloves Off: Thurman-Tszyu/Rolly-Pitbull*, narrated by Barry Pepper, will premiere on Prime Video this Friday, March 15.

The two episodes will bring fans compelling footage from the fighters' lives, interviews from various members of each camp, and training camp activity that will bring the audience closer to the action in the build-up to the Keith Thurman-Tim Tszyu super welterweight showdown, and the WBA Super Lightweight World Title matchup between reigning title-holder Rolando "Rolly" Romero and rising contender Isaac "Pitbull" Cruz. The episodes illustrate the personal stakes on the line, and offers an intimate look at these prizefighters headlining the inaugural PBC Pay-Per-View Available on Prime Video fight card set for Saturday, March 30 at T-Mobile Arena in Las Vegas.

**Descriptions:**

Episode 1 – As the showdown for March 30 draws closer and closer, the episode chronicles the journey of four dynamic fighters – Keith "One Time" Thurman, Tim "The Soul Taker" Tszyu, Rolando "Rolly" Romero and Isaac "Pitbull" Cruz – as they prepare to step into the ring for the first time in 2024.

Episode 2 – Training camp intensifies as four fighters (Thurman, Tszyu, Romero and Cruz) sharpen their game plans in preparation for the formidable challenge that awaits them on fight night in Las Vegas.
