NEW YORK (March 20, 2024) -- [PPV.COM](https://ppv.com), which does not require a subscription, returns to the ring when it live streams to boxing fans, in the U.S. and Canada, an action-packed four-bout card, featuring the 12-round junior middleweight world title tilt between undefeated WBO junior middleweight world champion **Tim Tszyu** (24-0, 17 KOs), a native of Sydney, Australia, and No. 3 world-rated contender **Sebastian "The Towering Inferno" Fundora** (20-1-1, 13 KOs), from Coachella, California, **Saturday, March 30**, beginning at **8 p.m. ET / 5 p.m. PT**. The co-main event will have WBA super lightweight world champion **Rolando "Rolly" Romero** (15-1, 13 KOs), from Las Vegas, making his first title defense, against **Isaac "Pitbull" Cruz** (25-2-1, 17 KOs), from Mexico City. The Tszyu - Fundora / Rolly - Pitbull championship event will emanate live from T-Mobile Arena in Las Vegas, Nevada. Priced at \$69.99, it can be ordered by clicking here [PPV.COM](https://ppv.com) | [Tszyu vs. Fundora](https://ppv.com).

The [PPV.COM](https://ppv.com) Tszyu - Fundora world championship event live stream will once again feature Hall of Fame broadcaster **Jim Lampley**, who will be paired with award-winning journalist **Lance Pugmire**, co-hosting an exclusive viewer chat in real time. Jim and Lance will be joined in the chat by **"Inside Boxing Live"** podcast hosts **Dan Canobbio** and **Chris Algieri**. Jim, Lance, Dan, and Chris will also be providing exclusive fight week commentary and reports from Las Vegas for [PPV.COM](https://ppv.com)'s website and social platforms.

Canobbio and Algieri will be bringing their popular *Inside Boxing Live* podcast to PPV.COM, where they will produce two fresh episodes weekly, provide onsite coverage during major pay-per-view fight weeks, host their own weekly live chat every Wednesday at 3 p.m. ET, and join fight night live viewer chats. "Obviously the near-last minute switch from Keith Thurman to Sebastian Fundora renders some of the style specifics of Tim Tszyu's preparation null or inappropriate," said Lampley. "Fundora is physically different, stylistically different, generationally different and competitively different than Keith Thurman. So now it's a new fight for Tszyu with a week and a half to adjust. He's still a heavy favorite, and he'll have to accept that he gets less credit for the win in what may well be a tougher fight. But that's boxing. Some memorable upsets have emerged from circumstances like this, but they are memorable because they are so rare. There's no logical reason yet to see this as less than perfunctory for Tim Tszyu."

PPV.COM, which does not require a subscription, will offer Tszyu vs. Fundora in the U.S. and Canada. iNDEMAND, the parent company of PPV.COM, will also be carrying the event through its network of cable and telco operators in the U.S. and Canada via providers including: Xfinity, Spectrum, Contour, Optimum, Fios, Rogers, Bell, SaskTel, and Telus, among others.
