NEW YORK—July 2, 2025— Today, Prime Video announced *Gloves Off: Pacquiao vs Barrios & Fundora vs Tszyu II*, the latest installment of its compelling, all-access docuseries. Debuting tomorrow (July 3) on Prime Video, this edition dedicates full episodes to both co-main events, exploring the preparation and mindset of all four headliners, ahead of their July 19 PBC Pay-Per-View on Prime Video card at the MGM Grand Garden Arena in Las Vegas.

Episode one features all-time great Manny Pacquiao (62-8-2, 39 KOs) and WBC Welterweight World Champion Mario Barrios (29-2-1, 18 KOs) in a 12-round title fight. The newly inducted Hall-of-Famer seeks one more inspiring victory against the talented and surging 29-year-old world champion.

Episode two highlights the highly anticipated rematch between WBC Super Welterweight World Champion Sebastian Fundora (22-1-1, 14 KOs) and former champ Tim Tszyu (25-2, 18 KOs). Fundora scored a close victory in their March 2024 encounter, a bruising battle that saw Tszyu dealing with a grisly cut in round three, but electing to fight on. Now one of boxing's top rivalries at 154 pounds is set to produce a new chapter.

Narrated by Barry Pepper, the series takes fans beyond the ring, blending footage of fighters' lives, families, and training, as excitement builds for this prime-time showcase in a city famous for career-defining performances.
