## **About MVP**

Most Valuable Promotions (MVP) was founded in August 2021 by Jake Paul and Nakisa Bidarian with a fighter-first ethos. Since its inception, MVP has produced 30 live boxing events, currently promotes nearly 60 fighters, 16 world champions, and 26 top contenders.

MVP has led boxing's evolution in the streaming era through partnerships with the world's leading platforms. In November 2024, MVP's Jake Paul vs. Mike Tyson and Katie Taylor vs. Amanda Serrano 2 was the first-ever live professional sports event streamed on Netflix. Paul vs. Tyson shattered records, becoming the most-streamed sporting event of all time with 125 million live viewers worldwide. MVP went on to partner with Netflix twice in 2025 for MVP's Taylor vs. Serrano 3 and Jake vs. Joshua: Judgment Day.

Today, MVP is the global home of women's boxing. MVP's Katie Taylor vs. Amanda Serrano in 2022 was the first female fight to headline Madison Square Garden, while Taylor vs. Serrano 2 in 2024 saw 74 million viewers globally on Netflix and became the most-watched professional women's sports event in US history with 47 million AMA in the US. Their 2025 trilogy on Netflix topped an all-women's megacard that set the official GUINNESS WORLD RECORDS™ title for the most world championship belts ever contested on a single fight card, male or female, with 17 world titles, earning nearly 6 million viewers globally.
