LAS VEGAS – August 27, 2024 - WBA Middleweight World Champion **Erislandy “The American Dream” Lara**, former super middleweight world champion **Caleb Plant**, former super lightweight world champion **Rolando “Rolly” Romero** and unbeaten contender **Trevor McCumby** held a media workout in Las Vegas on Tuesday to preview their respective showdowns taking place Saturday, September 14 on a PBC Pay-Per-View available on Prime Video from T-Mobile Arena in Las Vegas.

Canelo Promotions will present the Mexican Independence Day weekend blockbuster headlined by pound-for-pound great **Canelo Álvarez** putting his unified super middleweight world titles on the line against unbeaten WBA No. 1-ranked mandatory contender **Edgar Berlanga**.

Lara will defend his world title against two-division world champion **Danny “Swift” Garcia** in the star studded co-main event, plus **Plant** and **McCumby** will square off for the Interim WBA Super Middleweight Title, while **Romero** takes on **Manuel Jaimes** in the pay-per-view opener at 8 p.m. ET/5 p.m. PT.

In addition to the PPV being available for purchase on Prime Video, regardless of Prime membership, fans will also be able to purchase the PPV via DAZN.com. Additionally, fans can purchase the PPV at PPV.com. On top of those options, fans will continue to be able to access the telecast through traditional cable and satellite outlets.

Tickets for the live event are on sale now through [AXS.com](https://www.axs.com). The event is promoted by Canelo Promotions and TGB Promotions, in association with Matchroom Boxing.

The stacked pay-per-view lineup features five current or former world champions, including former titleholders Plant and Romero, who will look to move closer to regaining their championship status with wins on September 14. The co-main event between Lara and Garcia pits two of this era's most accomplished fighters against each other in a world title clash, as the two have combined to face 21 world champions heading into this showdown.

Here is what the fighters had to say Tuesday from the Pound 4 Pound Gym in Las Vegas:

ERISLANDY LARA

"I would tell Danny Garcia to be ready. He was a great champion for sure, but now he's in my division and I'm going to show him that this is something completely different.

"I don't know how the weight will affect Danny, because it depends how he's prepared for this fight. It can be a good thing or a bad thing. He better come ready, because this is gonna be new for him.

"I do everything I have to do to stay disciplined and take care of my body. As long as I keep doing that, I'm going to stay at this top level.

"I'm very thankful that I made the sacrifices that I had to in order to reach these heights. I'm reaping the rewards now and I'm going to keep going."

CALEB PLANT

"I'm ready to show the fans what a good old-fashioned ass-whooping looks like. His '0' has got to go. It's out of here.

"I've been working for over a year and it's done me well heading into this camp. I was in the best shape I've ever been in to start a camp. My sparring has been the best it's ever been and honestly it's been the smoothest camp I've had in my life. I expect that to translate over into the ring.

"This is McCumby's opportunity. Up until now, he's been a 30-year-old prospect. He's waited a long time to step up into a big fight and I think it's because he doesn't believe in his skills. He can talk all the talk he wants, but actions speak louder than words. For him to choose me as his first step-up fight, I take that personally.

“I haven’t thought past Trevor McCumby. I’m focused on the task at hand, but I know that winning this belt will put me in a good position for future fights.

“My trainer (Stephen Edwards) and my dad (Richie Plant) are like an echo of each other. They’re basically the same person and it makes everything really smooth.”

TREVOR MCCUMBY

“I’m not worried about anything Caleb says. I treat every fight the same and train very hard every time. I’m preparing to face the best Caleb Plant.

“I stay grounded and focused on my goal, that’s the most important thing. I’ve been boxing since I was seven-years-old and I’ve been on really big stages before. I’m prepared for this moment.

“I’m coming to show that I have skills as well. This is my coming out fight. The world is going to see who I am. I’m coming into that ring with tenacity.

“I’m stoked to be on a card with all these great fighters. I know everyone is working hard to put on a great show on September 14.”

ROLANDO ROMERO

“Every time I get into the ring, everyone has a great time, especially the fans. That’s all that matters. I’m coming to show everyone a vicious knockout.

“I’m feeling really good. I don’t feel like I needed to say anything to Jaimes at the press conference in Los Angeles. I just really think he’s happy to be here.

“I kind of fell out of love with boxing a few years ago, but after that time, I came back and realized that boxing was my true love. I had forgotten that for a while.”
