

## WILLIAMS AND CONWAY CLASH ON CANELO-GGG III CARD

### Middleweight contenders do battle in Las Vegas on Sept 17

**Austin Williams** will face **Kieron Conway** in a crunch Middleweight showdown on the undercard of the blockbuster trilogy clash between **Saul 'Canelo' Alvarez** and **Gennadiy 'GGG' Golovkin** at T-Mobile Arena in Las Vegas, Nevada on Saturday September 17. The event, presented by Matchroom, Canelo Promotions and GGG Promotions, will broadcast live on DAZN Pay-Per-View in the U.S. and Canada as well as around the world on DAZN (excluding Mexico, Latin America, and Kazakhstan).

Williams (11-0 9 KOs) has enjoyed two standout wins in the first half of 2022 after a welcome return to action, stopping former World title challenger Javier Maciel in six rounds in London in February, before blasting away unbeaten Chordale Booker inside the opening session of their clash for the Continental Americas title at Madison Square Garden in New York at the end of April.

'Ammo' stepped back through the ropes in December in Las Vegas with a second round stoppage victory over Quatavious Cash ending a nine month absence from action, and his run of three impressive KO victories sees the Houston talent sit handily at #7 in the WBA rankings ahead of his second paid outing in Sin City.

Conway (17-2-1 3 KOs) fights in Vegas for the first time in the paid ranks but is no stranger to big Canelo fight nights having faced Souleymane Cissokho in May 2021 at the AT&T Stadium in Arlington, Texas. 'Too Class' was on the wrong end of a split decision in a close run clash with the Frenchman, but the Northampton man bounced back with victory in James Metcalfe's Liverpool backyard five months later.

"It is my honor and a dream come true to open up the Canelo vs. GGG III Pay-Per-View telecast," said **Williams**. "I will deliver an unforgettable experience and capture my second consecutive title in the most sophisticated way imaginable."

"Last time out in the USA I made some mistakes, I won't make the same mistakes twice and I'm going there to catapult my career in the right direction on one of the biggest shows of the year I can't wait," said **Conway**. "I was made for the big stage and I'm going to show it."

"Williams is a decent fighter and won't be underestimated but he's just another opponent to me and I'm coming to get a job done."

“This is a cracking fight for September 17 and a tough one to call,” said promoter **Eddie Hearn**. “Ammo has come back with a bang and is looking spiteful and powerful as he moves up the WBA rankings, but Kieron came back well in his last outing in Liverpool and he won’t take a backwards step on a massive night for the Brit.”

Williams and Conway become the second bout added to the undercard on September 17 after the announcement that Super-Flyweight sensation **Jesse Rodriguez** will defend his WBC World title against **Israel Gonzalez** will be the co-main fight leading into the third installment of the classic modern rivalry between Canelo and Golovkin, with the Mexican king putting his undisputed Super-Middleweight crown on the line against Kazakhstan's reigning WBA and IBF Middleweight ruler in the most anticipated match up of 2022.
