the user. By tracking the content, Triller empowers its tastemakers and users to push their content virally to affiliated and non-affiliated sites and networks reaching hundreds of millions of additional users. Data and insights gleaned from the Triller network, its creators, artists and users (from the app and off network) are used to program longer-form content, connect users across the web with the content, and provide unprecedented opportunities for engagement and monetization. TrillerNet has developed highly successful campaigns that begin with the app and continue throughout the entire content and technology ecosystem with some of the biggest brands in the world, including Pepsi, McDonalds, Weedmaps, DraftKings, L'Oreal, and many others. TrillerNet offers brands a unique content and technology solution, including direct deals with the influencers and celebrities. This branded content journey starts with short-form video and can easily expand into valuable long-form content distributed through the Triller Network, such as live-event boxing and music PPVs, fashion shows, and episodic reality content on TrillerTV. Some of the more than 65 original half-hour TrillerTV shows include The D'Amelios Family's "Ask a DAM Question," Jennifer Lopez In The Morning, Jake Paul: Staying On Top, 2 Chainz Let's Do It, DJ Khaled's Spreading Love, Hype House's Thomas Petrou's Coffee Talks, Josh Richards' Josh Pong, Ur Lov'd: the Noah Beck Show, Fat Joe's Masterclass, The Perez Hilton Show, and Violet Benson's Too Tired To Be Crazy, among others.
